The Canary Islands

20th January to 30th March 2020

70 nights of winter warmth, exploration and relaxation

Located 100km off the West African coast the Canaries are already known by many for their warm winter climate but are usually overlooked for their culture and heritage interests; on this tour you can enjoy both.

Along with all the major sights and plenty of time for relaxation you will be escorted to places seldom reached by others whilst enjoying the very best European winter weather.

With an eternal spring expect blue skies and daytime temperatures of low 20's, evening of 15, considerably warmer than Southern Spain.

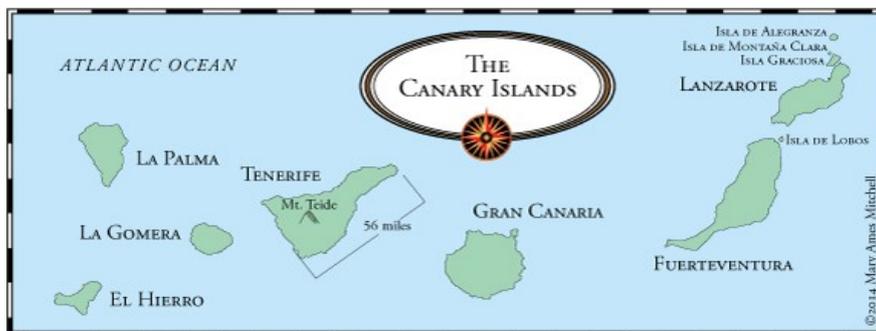

Whilst being Spanish the islands retain a strong individual identity with many islanders considering themselves Canarian and only secondly Spanish.

Maintaining a duty free status, the islands are exceptionally good value for shopping and eating out, and with fuel well below European prices you won't be spending much on Diesel.

Get away from the after Christmas cold, take yourself and your motorhome away for 70 nights of warmth and exploration.

A mix of campsite, camper stops and private parking is used throughout the tour requiring the use of your motorhomes facilities on occasions. The trip will take you to some wonderful places requiring a confident driving approach at times and will be best enjoyed by those with a sense of adventure & open mind to camping.

Day 1—Monday 20th January 2020—Our adventure starts at a campsite near the port of Cadiz where we will have a welcome drinks reception so that you can meet your fellow travellers.

Day 2 and Day 3—We board the ferry for our voyage to the islands. On board we've included en-suite cabins and the ships full board menu, it's only drinks you'll pay for.

Day 4 to Day 13 (Saturday 1st February)—We arrive in Tenerife and settle in to our first campsite in the south which boasts good facilities including swimming pool, tennis court, shop & bar. During our time here we will visit many of the local attractions but we also allow you the necessary time to relax and enjoy your surrounding. Our Group tours will include an excursion to Masca and Garachico including a group lunch, Visit to a Banana Plantation, The UNESCO world heritage site of Park Nacional del Teide.

Day 14 to Day 26 (Friday 14th February) -La Palma is our destination for the next 13 days. La Palma is affectionately known as 'Isla Bonita' (The Pretty Island) and you will soon see why as we journey around the island to our varied camping locations. During our time on the island we will visit a wine cellar with a wine & tapas evening, traditional salt pans with a group dinner plus plenty of time to walk and take in the exceptional beauty of the island.

Day 27 (Saturday 15th February) - Our ferry this morning takes us to the smaller island of La Gomera, where you can take the 55 mile circular road with its stunning views before catching our evening ferry to Tenerife.

Day 28 to 29 (Monday 17th February) - Back to our first campsite to allow us time to prepare for the next stage of our journey.

Day 30 to 32(Thursday 20th February) - Our journey continues as we move on around the west coast to Puerto de la Cruz. Our camping is a dedicated motorhome parking area right in the heart of the resort. You will have time to explore this lovely resort and we will take the local bus to visit La Orotava with a group lunch included.

Day 33 to Day 36 (Monday 24th February) — The north of the island is our destination where we can chill out with the locals; it is unlikely that you will hear anything other than Spanish around here.

Day 37 to Day 42 (Sunday 30th March) - We return to Puerto to attend the Carnival, the largest Fiesta in the Canarian calendar. Followed by free days to relax, catch up on the chores and sightsee before we move to Gran Canaria

Day 43 to Day 69 (Saturday 28th March) - The ferry takes us to Gran Canaria (2 hrs) where we have the most dramatic drive on all the islands, 25 miles of simply stunning coastal scenery to our campsite. During our time on this island we will have a 'glass bottom' boat trip, visit the Maspalomas Dunes National Park, a group excursion to the interior of the island with lunch, Visit to Las Palmas, Arucas with its rum distillery, Excursion to Aguiques and Barranco de Guayadeque where we have dinner, a day trip to Galdar and Peurto de las Neives and our Farewell Dinner. There is also plenty of time for relaxation and to soak up the sun.

Day 70 to Day 71 (Monday 30 March) - We leave Gran Canaria for our crossing back to Cadiz and the end of our tour.

Please note—There are optional packages available for both the outward and return journeys to Cadiz. More details on our Website.

Delightful Denmark

6th to 25th June 2020

Danish Delight—The Land of Intriguing Experiences

Jutting into the North and Baltic seas, Denmark is a beautiful land of over 400 islands with great destinations and where you are never more than 50km away from the sea. Thanks to the Danes fondness for green open areas nature will envelop you as you travel through this wonderful land.

Our tour starts on the Jutland peninsula where we visit Ribe, Denmark's Oldest Town and Aarhus, its cultural centre; both of which will bring alive the Danes legendary sense for design and architecture.

The islands of Zealand and Funen are now linked to Jutland by bridges, including the 18km stretch of the Storebælt Bridges; opened in 1998 having taken 10 years to build they consist of 2 bridges and a tunnel, these are crossed as we move towards Denmark's capital.

In Copenhagen we have excursions arranged for a tour of the city and to Roskilde city for a visit to the wonderful Viking museum and a walk alongside the Baltic Sea Fjord.

We finish our tour with an amazing evening entertainment at the world famous Tivoli Gardens.

Travelling in Scandinavia at this time of year is very special, enjoying the long days that being this far north provides, with darkness not arriving until very late in the evening.

Add all this together with some Danish pastries and you begin to understand why Denmark is an intriguing holiday destination.

'This was our 24th tour with GB Motorhome Tours and as always, we found ourselves going to places we would never have found on our own. Our leaders Liz and Dave took good care of us all.' **Geoff and Margaret Cotton – Delightful Denmark - June 2018**

'An excellent introduction to a new country for us with a good variety of excursions to places of interest. Liz and Dave are very attentive leaders who work hard to enhance the holiday.' **Hilary and Andrew Wilson – Delightful Denmark - June 2018**

If you would like to continue further south, please make a booking for “Italy Down to the Heel — South” as we continue to the Puglia region, forming the heel of Italy’s Boot

Italy Down to the Heel

The South 19th June—9th July 2020

We take it leisurely & discover Italy's South

Puglia, the southern Italy region forming the heel of Italy's "Boot", is known for its whitewashed hill towns, centuries old farmlands and hundreds of miles of Mediterranean coastline. Lecce known as the 'Florence of the South' has the baroque architecture and Alberobello is where the grey-roofed conical trulli houses are clustered together.

Cuisine plays an important role throughout Apulia and we will take the opportunity to taste the locally produced products including the olive oils, pastas, cheeses and the local wines.

Whilst in the region we visit Matera, a rocky outcrop in the vicinity of Basilicata. It included the Sassi area, a complex of cave dwellings carved into the mountain-side. Evacuated in 1952 due to poor living conditions, the Sassi now houses museums, restaurants and shops. Nearby rock churches include St. Lucia alle Malve with its 13th century frescoes.

This tour commences in Pompeii and will take you all the way to the 'Heel'. To enjoy a leisurely trip to Pompeii our 'Italy—Down to the Heel—The North' tour starts on Lake Maggiore and runs down to Rome to link up with the start of this tour.

Rhine in Flames

26th June to 6th July 2020

Fireworks, Flames and Romantic Flair

Enjoy a picturesque summer getaway along the River Rhine. The highlight of this tour will be an evening cruise with supper to see the magnificent Rhine in Flames, which is the collective name given to a series of spectacular firework displays that take place each year on the River Rhine.

Before that we start the tour in the charming town of Valkenburg in the Netherlands, where our campsite is next to the country's only hilltop castle, and sits above the caves and galleries created by the town's long history of quarrying.

Our drive from Holland into Germany, takes us first to Bernkastel-Kues, nestled on the banks of the Mosel River. Here we have a vintage bus tour of the historic centre and visit a winery where we taste some of the famous wines the town is renowned for. Then we move to Rüdesheim am Rhine, an attractive town laying in the river's gorge and renowned for its wonderful views. The narrow cobbled lanes of the Old Town, lined with wine taverns and gardens are certainly not to be missed.

We have included a visit to the fascinating museum of mechanical musical instruments, and you will also see the Germania Monument and get a bird's eye view of the vineyards that cling to the sides of the Gorge as we return to the river by cable car.

It is from Rüdesheim that we board the river cruiser where dinner will be served whilst enjoying a leisurely cruise along the river. Then we join a flotilla of illuminated riverboats to take in the spectacle of the fireworks, pyrotechnics and experience the riverbanks and landmarks as they change into a magical red glow – an unforgettable experience.

Sicily

15th September to 16th October 2020

Mediterranean warmth and 25 centuries of mixed rule

Sicily is the largest island in the Mediterranean and much bigger than most people realise. The Mafia and Inspector Montalbano spring to mind, whilst you're unlikely to spot either of these, a visit to Sicily is rewarded with stunning architecture and traditions from 2,500 years of mixed Spanish, Roman, Greek, African and Italian occupation. If you're expecting something much the same as Italy you'll be disappointed, if you're looking for surprises Sicily will deliver.

Our tour covers the whole island and throughout you're never far from the sea. We stay in the islands two major cities, capital Palermo and second city Catania; see the geographical phenomenon of Mount Etna, Europe's most active volcano; the nature of San Vito lo Capo peninsular, the ancient monuments at the Valley of Temples and Salinunte, the wonderful architecture in Syracuse and Cefalù, the UNESCO towns of Noto and Taormina, and the amazing mosaics of Villa Romana.

Add to this rich local cuisine, great wines, an opportunity to travel in your own motorhome

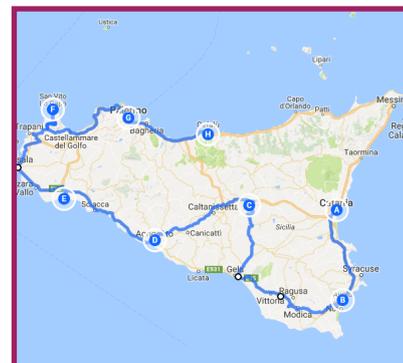

with like minded people and this tour has all the content of a great holiday.

Sue & Derek Davies Sicily—2018

'Fantastic Tour of Sicily visiting many interesting sites and sampling plenty of Sicilian food and wine. Tour Directors looked after us very well, always on hand to help if needed.'

Kath & Roy Tipping – Sicily 2018

'This tour was a real eye-opener to travellers who thought they knew Italy. Very different culture from the mainland with really good local food and wine. Many superb historical sites.
