

Rhine in Flames Spectacular

26th June – 6th July 2020

Fireworks, Flames and Romantic Flair

Enjoy a picturesque summer getaway along the River Rhine. The highlight of this tour will be an evening cruise with supper to see the magnificent Rhine in Flames, which is the collective name given to a series of spectacular firework displays that take place each year on the River Rhine.

We meet at the charming town of Valkenburg in the Netherlands, the campsite is next to the countries only hilltop castle, and sits above the caves and galleries created by the town's long history of quarrying.

Our drive into Germany, takes us first to Bernkastel-Kues, nestling on the banks of the Mosel River. Here we have a vintage bus tour of the historic centre and visit a winery where we taste some of the famous wines the town is renowned for. Then we move to Rüdesheim am Rhine, an attractive town laying in the rivers gorge and renowned for its wonderful views. The narrow cobbled lanes of the Old Town, lined with wine taverns and gardens are certainly not to be missed.

We have included a visit to the fascinating museum of mechanical musical instruments, and you will also see the Germania Monument and get a bird's eye view of the vineyards that cling to the sides of the Gorge as we return to the river by cable car.

It is from Rüdesheim that you will board the river cruiser where dinner will be served whilst enjoying a leisurely cruise along the river. Then we join a flotilla of illuminated riverboats to take in the spectacle of the fireworks, pyrotechnics and experience the riverbanks and landmarks as they change into a magical red glow – an unforgettable experience.
